An email has been received from BSR Energy seeking to renewing negotiations for the Community Benefit Agreement from the Loudham solar installation. They have doubled their offer to £42,000. It was agreed that this was possibly not sufficient and a request should be made for £50,000.

12/26-27.3 Footpath repairs

Cllr Harrison reported walking the Pettistree and Loudham footpaths. They are accessible but narrow in parts. Some of the reported issues arise from walkers deviating from the permitted route, which should be discouraged. The ESC Footpaths Officer has been contacted and is satisfied with the condition of the paths. Issues arising will be reported to the Footpaths Officer as noted.

13/26-27

DISCUSS FOOTPATHS AND A POSSIBLE GUIDE

It was agreed a comprehensive guide to the local footpaths would be helpful, ideally in both printed copy and interactive webpage. A board on the green could be used to display a map of local routes.

14/26-27.1 Discuss request for 30mph limit heavy / unsuitable for HGVs sign on Rogues Lane

Residents on Rogues Lane have reported issues with unsuitable heavy vehicles and horse-boxes attempting to use, and as a result blocking, Rogues Lane. It was agreed that an application should be made to SCC Highways to see if they would support the installation of a sign, having first ascertained whether this could be funded using CIL monies.

Action: RFO to advise whether the installation of 'unsuitable for HGVs' sign by SCC Highways at the parish council's expense can be funded by CIL monies, (contacting the ESC Infrastructure Officer if necessary to confirm).

Action: following positive confirmation of the availability of CIL funds, Clerk to contact SCC Highways.

Action: Chair to confirm proposed location of the sign.

14/26-27.2 Discuss Speed signs
