Deadline for next issue is November 19th 2006

## PETTISTREE VILLAGE PLAN

*Inside this Issue*

The Parish Plan working group continue to work on the preparation of the questionnaire which will be delivered to all households in the parish. The questionnaire follows on from other consultation with residents which took place at the Annual Parish Meeting and the Village Hall Treasure Hunt and BBQ in July. People have also had the opportunity to raise issues through the Pettistree People. All of the issues raised will be considered when preparing the questionnaire. The group have also contacted the Village Hall Committee, the Parochial Church Council and Suffolk Coastal District Council for their input.

The Parish Council has now purchased the software which will enable the group to compile and analyse the results of the questionnaire. It is hoped that this will be piloted in September, reviewed and then distributed to the whole parish in the autumn.

The working group have also been busy writing to local businesses for sponsorship of the project. There has been a positive response to this and any further donations would be most welcome. All sponsors will have their logos/details published on the final Parish Plan Document.

When completed the Parish Plan will be an important document to help the village identify any needs that the village may have. It will also act as a remit in the Parish Council decision making process.

### *The Greyhound*

There are indications that interest, which looks promising, has been shown in "The Greyhound". Negotiations seem to be well in hand according to a number of different sources so watch the pub or our next edition.

## Church News

### Building works.

We expect to get the agreement from the diocese to go ahead with the work to expose the original alcove in the south wall early in September so the work can finally be completed. It does seem to have taken a long time but it is important to make sure we are doing the right thing to conserve the fabric and maintain the church for future generations. We are still monitoring the extensive cracks in the east wall and will have to make more decisions about how to proceed if they continue to increase.

### Aug 14th 2006 Benefice B B Q

#### The Benefice

The two parishes of Wickham Market and Pettistree are lucky that there are already many close ties between the villages, while we have been working to strengthen the ties between the two congregations.

Evensong on the first Sunday of every month is a joint service and well supported, and the special services aimed at families with young children have been a great success. There are two more planned for this year September 10<sup>th</sup> and November 19<sup>th</sup>. The Wickham congregation plan to come to Pettistree for a joint communion service on August 27<sup>th</sup> which has become an annual event for us and is always an excellent way of getting to know each other. In July the Ladies group (made up of people from both congregations) hosted a Benefice barbecue at The Laurels, which was on one of those hot Sundays, so luckily there was a small marquee to give some shade.

### Another B B Q group at the Laurels

#### Forthcoming attractions

**Harvest festival October 1st** unusually we hold this service at 4.00 pm so that all ages are welcome and it doesn't clash with bedtime and we plan to provide tea and cake afterwards. This year on the following **Saturday (October 7th)** we have a return visit of the local singing group 'Illuminati', those of us who had the pleasure of hearing them 2 years ago will remember their 'Songs for an Autumn evening' as a highlight of Pettistree's year. Please come if you can as unfortunately there is an unavoidable clash with an Film Archive showing in Pettistree so there should be plenty of space for everyone who is interested. Times will be well advertised in Wickham and Pettistree. **Remembrance Sunday** this year falls on **November 12th** and there will be a traditional service at 9.30am. It seems a long way to Christmas but it is worth putting in your diary that the **Carol Service will be at 9.30 am on Christmas Eve** and will be followed by mulled wine and mince pies in the church room while the service on **Christmas Day is Family Holy Communion at 9.30 am**. I recommend stocking presents only before church and saving the big presents to later in the day!

# PETTISTREE VILLAGE HALL MANAGEMENT COMMITTEE

## *Treasure Hunt*

July was a beautiful month, the sun shone day after day, and temperatures were a little higher than normal. The village green looked a picture, even more so when the bunting that Clare had purchased from the Campsea Ash auction was erected.

Tony compiled the questions and pictures to challenge the participants of the Treasure Hunt and our thanks to him. The committee members busied themselves putting up the gazebos, arranging the tables and chairs, using the shady areas for the cake stall and tombola and setting up the barbeque.

Late morning and everyone was ready to enjoy the occasion. Despite the heat seven teams collected their question papers and set off around the village to solve the clues. The rest of us relaxed, enjoying the sunshine. It was great to meet some of the new families who have moved into the village recently.

The treasure hunt teams started returning after about an hour, hot and bothered. After a long cold drink they handed their answers to Mike for marking. Time was ticking by, two hours and no sign of team seven (Pauline and Kath) where had they got to? A quick ring on the mobile phone and team seven was located and on their way back to the green, having taken a wrong turn or so we were told, but we think that a visit to the Three Tuns was more likely.

The winners of the Treasure Hunt were Mary and Chris Garner and they were presented with the illustrated hard back edition of the 'The Da Vinci Code'. Well done Mary and Chris.

Everyone enjoyed the burgers and hot dogs skilfully barbequed by Jim and Pauline and as the afternoon cooled down it was a real pleasure to sit in the shade on the green enjoying a glass of wine and the company of our friends and neighbours.

## *Annual General Meeting*

The Annual General Meeting was held on 19 July 06, and changes have been made to the committee. Our thanks go to David Caudwell who has held the post of Chairman for the last 6 years, he has decided to step down from this post. Thankfully he is still going to be a committee member and will be in charge of those Quiz Nights that we all enjoy. Our newly elected Chairman is Mike Manning with Jim Jarvie as Vice Chairman.

**The Committee for 06/07** is as follows:

Chairman	Mike Manning
Vice Chairman	Jim Jarvie
Treasurer	Eric Dowker
Secretary	Sheila Manning
Booking Secretary	Pauline Jarvie
Communications	Rita Smith

We have room for 3 more committee members please contact me if you are interested (01728 747321)

## *Congratulations*

### To Helen and Nicola Caudwell

The Caudwells at Rogues Cottage have recently celebrated two successes. Helen has gained a Masters degree in Civil Engineering at the University of Bath after a five year course, graduating at a ceremony in Bath Abbey whilst Nicola has gained an Honours degree in Psychology at the University of Leicester, graduating at De Montfort Hall. Congratulations to both Helen and Nicola on their academic achievements.

### To George & Stephen Smith

Many congratulations to George Smith, youngest son of Dick and Rita Smith of Church Farm, who was admitted as a Member of The Royal College of Surgeons, Edinburgh, at a ceremony at the Royal College on Friday 16<sup>th</sup> June 2006. George is at present working in the orthopaedic department of The Royal Infirmary in Edinburgh.

Dick and Rita's eldest son, Stephen, has been in Indonesia for the past 10 years, and is setting up a charity whose aim is to care for, support and educate those suffering hardship and distress, particularly orphaned and neglected children.

He is organising the conversion of an old school into an orphanage, and is at present working with the people who were affected by the earthquake. To read more about it, please have a look at his interesting web-site: [www.gunungan.org](http://www.gunungan.org)

### To Susie Hallett

Susie Hallett has graduated from Oxford Brookes University with a 2:1 in Hotel and Restaurant Management. She will start work in September on the management trainee scheme of the Malmaison Hotel group at the Hotel du Vin in Brighton. Not quite born in the village as Susie was 6 months old when the Halletts arrived 23 years ago on September 5th 1983 but definitely bred!!.

### To Chris Ballance

Congratulations and Best Wishes to Chris Ballance who has gained four A grades and is going on to study for a Masters degree in Physics at Somerville College Oxford.

### To Adelle Hunter

Adelle Hunter has joined the Special Constables.

The reason she wanted to be a Special Constable is was because eventually she wants to join the regular police and believes this will give her an insight into the job first hand. She has thoroughly enjoyed, the sometimes, very physical training.

### Ruth Johnson

Congratulations also to Ruth Johnson who has graduated from Nottingham University.  
(Sorry we have no details-Ed )

## *Carpet Bowls*

The new season for Carpet Bowls at Pettistree will start on Thursday 5th October at 7.30 pm. Last winter we played alternately at Pettistree one week and at Ufford the following Thursday, this will be repeated from 5th October.

Also the 'Triangular' Tournament between Pettistree, Ufford and Dallinghoo, which was enjoyed by all those who took part last season, will be repeated, Pettistree achieved success again against their local rivals last spring, two wins out of two. Can they complete the hat-trick this coming winter season? Watch out for reports in your 'Pettistree People'

As always in these notes I include an invitation to anyone who wishes to come along and have a go—see you there!!

## *Seeing Things!*

Photo by Dick Smith

The above photo was taken in the village in the area behind Green Farm. It is of a rhea and a curious deer.

In the EADT of August it was reported that the bird had been captured but it has been seen since in the Back/Java Lane area. It comes from Loudham Hall.

A rhea is a flightless bird of South America and smaller than an ostrich with which it has a common ancestor. The male makes the nest and invites several females to lay eggs in it. He alone incubates the eggs in the group nest and cares for the striped young for usually six months or more. The adult weighs 60 to 80 pounds and stands 5 feet tall.

## Ufford Playscheme 2006

How do you travel around the world in 5 days? Not a problem for Ufford Playscheme! Every day we visited a different part of the world, Asia to make Chinese dragons, plaster of paris footprints, jelly fish and oriental fans Africa to make warrior shields, real hot air balloons and animal masks, Europe to make wacky windmills, London buses, boats and planes, the Americas to make pirate hats, Inca jewellery and tropical fish, finally ending up on Friday with a world themed carnival, a BBQ and a visit from Mr Ogogo who

delighted us all with his story telling, drumming workshop and African mask making.

On each of the days, apart from making crafts from that part of the world we also experienced making various foods including experimenting with smoothies, mouth watering pancakes, scrumptious rice crispie cakes and delicious pizzas. Our round the world experience also included a giant interactive map where everyone could mark their favourite place in the world, either where they have been or where they

On top of this we had some new which proved a challenging but have to say that I was very impressed with the number of arrows hitting the targets (including a good number of those in the bullseye!). We also had Stuff and Nonsense making some excellent teepees, dream catchers and other wonderful crafts; the Makers, once again creating some stunning willow dolphins and flowers plus very jazzy top hats; and morris dancing, as well as a sports workshop for those feeling more energetic which included tennis, football, basketball, cricket plus loads more.

and exciting workshops visit – archery, excellent experience for the kids, and I

With 50 children a day we all had a brilliant time and are now planning the 2007 Playscheme which looks just as exciting with a theme of 'HOLLYWOOD' – can you just imagine what we could do with that!

# BABIES!

## New Arrivals

Congratulations to Neil and Sarah Moss on the safe arrival of a lovely baby daughter Francesca Lily Moss on the 12<sup>th</sup> May.

We also congratulate Amy and Dan, and sister Daisy Tabitha Kiddy on the safe arrival of Jake William Kiddy on the 27<sup>th</sup> June.

It looks as if there is going to be a record number of babies with connections to the village this year. A quick glance at the baptismal register reveals a similar number as long ago as 1951!

Kath Hilton’s two grandchildren Connor and Emily were lucky enough to be invited to the Queen’s 80th Birthday Party held at Buckingham Palace earlier this summer. Their Uncle was dancing as Bert from ‘Mary Poppins’ on the Palace roof among the chimney pots. It was a wonderful occasion and will be remembered by the children all their lives. ‘Bert’ is now rehearsing with an all American cast in New York for the opening night on Broadway on November 16th.
